

Made in Maine

Mike's Washington office displays a sample of products made by Mainers.

This is a great opportunity for businesses to showcase their products to Mainers visiting Washington, DC and Washingtonians that will be visiting Maine. If you are interested in participating, please contact Cheryl Breault at the Maine Department of Economic and Community Development (207) 624-9804.

Visiting MaineMade.com

is a great way to find products made locally in Maine.
