

## Michaud Meets with Snowmobile Representatives in Washington

Wednesday, November 19 2008

### WASHINGTON, DC

- Today, Congressman Mike Michaud met with Ed Klim of the International Snowmobile Manufacturers Association and Christine Jourdain of the American Council on Snowmobile Associations. They met to discuss snowmobile issues in the upcoming Congress, such as access to federal lands and funding for trails.

Michaud has been a consistent supporter of traditional access to public and private land and has pushed to significantly invest in Maine's trail system. He has also successfully secured funding for technology and equipment for the Maine Warden Service, which has increased the Service's ability to promote safety for outdoor enthusiasts.
