

Academy Nominations

One of the greatest privileges of being a Member of Congress is having the opportunity to nominate bright young men and women to the U.S. service academies. I encourage all young people who are looking to build a career foundation in the military at one of our esteemed service academies to open a file in my office by sending a letter of intent.

All applications for service academy nominations must be received by my office no later than November 1 for those interested in attending an academy the following summer.
