

Visiting Maine

As a former co-owner of a Maine sporting camp, Mike has long enjoyed vacationing around the great State of Maine. The Maine Office of Tourism is an excellent resource for anyone looking to vacation to Maine.

The State of Maine also makes available a great deal of information on visiting Maine for your next vacation.

Bicycling is also a great way to experience Maine. The Bicycle Coalition of Maine and Maine Department of Transportation both offer more information, including maps, tips, and tours.
