Thursday, January 22 2009

WASHINGTON, DC &ndash; Today, Congressman Mike Michaud issued the following statement on President Obama's signing of two executive orders. &ldquo;Today, President Barack Obama signed executive orders requiring the closure of the U.S. detention center at Guantanamo Bay, Cuba within a year and directing the CIA to shut what remains of its network of secret prisons. With these directives, the new administration has rewritten the rules for the detention of terrorism suspects and brought an end to policies which sacrificed the civil liberties enshrined in our Constitution. The closure of the Guantanamo Bay prison will prove to the rest of world that the United States continues to stand for freedom and justice.&rdquo;
