

## Telephone Town Halls

Mike recently conducted a telephone town hall conference call with Mainers in the Second Congressional District. Mike encourages those who would like to participate in future calls to contact his office so that you can be added to the next call. It's important to note that the telephone town hall is not a replacement for Mike's actual meetings in Maine. It's simply another way to communicate with Mainers when Mike is in Washington voting and not able to be in the district.

To sign up for future town hall conference calls with Mike, send him an EMAIL or call any one of our offices:
