

Michaud Receives Award from National Association of Community Health Centers

Thursday, March 26 2009

WASHINGTON, DC – Today, representatives from Maine Community Health Centers (including Penobscot Community Health Care and Pines Health Services) and the Maine Primary Care Association presented Congressman Mike Michaud with the National Association of Community Health Centers’ Superhero Award, in recognition of his continued support of community health centers. The group from Maine expressed their appreciation for Michaud’s support of legislation to strengthen the Health Center Program, and asked for his continued support in the months ahead. Attached is a photo of the award presentation in Congressman Michaud’s Washington office.
